1.1.118
a Lesson in the University of The New Covenant
Theodore Cottingham, October 16, 2003
www.unc.bz

1. My teens Ted, go after My teens and show them My passion, My character, and contrast My big world with their little world of mammon and popularity-driven fads, and mammon-oriented devices which display Me not.

2. Go after My teens and show them Me—show them My power, show them My authority, show them My love. Show them who I am and what I have done for them, and the freedom I died for, to give them.

3. Tell them, show them, teach them, train them—video instructions of My power, authority, love and meekness—personally instructing Me to them—overtly purposefully giving them Me—in reality.

4. My teens are leaders Ted, who for the most part, have been unable to lead—and who have been prevented from leading. Lead Ted, and lead the revolution that revels in freedom and power complete in knowing Me.

Power, authority.
Power, authority.
Power, authority.
Power, authority.
Cleansing, obedience, powered by Me, powered by Me.
Authority-ized by Me.
Willing-in-Me in leadership—of self, of others, of many.

Power, authority.
Power, authority.
Power, authority.

5. Where is My power, where is My authority? Ted, in Me, in Me, it's in Me and all who come to Me who want to truly know Me in fullness complete, complete Ted, as I dreamed of completeness when I made man—oh Ted, such power, such glory, such authority.

So muted, so mundane, so missed-it, are so many.
So much awaits My non-timid.
Where are those I can give My power to and smash the right things—I know they will?
Where are they?
Where are the teens I can power-fuel powerful, powerful-ed?

6. Where are the men and women who will receive My power and authority and go love with it, rather than attract and appeal and stare in their mirror?

7. Where are My leaders who will set free My leaders, My teens, My Mine who so desperately need, and want, to walk in My power and authority?

8. Ted, go, Go, GO, Gone—Ted, you are gone, you're gone on your path now to leaderize the leaderless, and leaders raise who will power and authority-ize My body to walk as My body—intended by Me—in My power and authority, on foundations of obedience, love, honor, respect and great meekness.

9. Lead, lead, transform My leaders into transforming leaders who will set free the leadership in their teens, their men and women and seekers sincere, who discipline and quest themselves after Me.

10. Lead, lead, and lead the leaders to set free My who-want-freedom so badly, so deeply, so intensely—often unaware, clueless, of what their answer is—oh oh Me. I thank you.

11. Set them free, free to be Me, free to be My DNA
DNA of My heart and blood and body
Bone of My bond, blood of My blood—
Being of My being.
Powerful, authority, walking-in.
Powered, powered, powered by Me.

12. Authority-ized and walking in it.
Walking in Me.
Gifts freed.
Spirits freed.
Spirits soaring in Me and dominating in meekness, love, power, and authority.
Love, love, power, meekness, authority.

13. Am I clear, am I clear?
Walk and talk and speak and be My authority doing what you see Me do, and saying what I say—
Love, power, meekness, authority.
Fearless, fearless, fearless.
Powerful, authority-ized—now.
Grown, mature—
Maturing all maturable.
I thank you, I thank you, I thank you.

14. Great power.
Great joy.
Great laughter.
Great friendships.
All in the big adventure—of The Big Adventurer.
Master Adventurer.
Master Adventurer Designer—
For you, for Mine, and us all.

15. Delight in Me.
I delight in you.
Thank you, thank you, laugh.
Thank you, laugh, take authority more.
Thank you, laugh, take authority more.
Now, now, powerful powered, now.
Thank you.

16. Hugs and kisses to all of My Mine.
I adore you—My Mine—every one—
I love you—love Me more.
Please come.
Please come to Me more.
Please want Me more.

17. Please let Me touch and heal and empower and enable.
Thank you, thank you, thank you.

18. Healing, healing, healing comes.
Healing here.
Not afraid.
Walk tall.
Thank you.

19. Unafraid.
Unafraid.
Fearless and unafraid.
I am with you.

20. Go, grow, glow, glean and be gleaned.

21. Thank you, thank you, thank you.
